The Vigilance Bulletin "Alert" is being published for dissemination of the latest information and knowledge on vigilance.

IMPLEMENTATION OF JUDGEMENTS/ ORDERS OF THE CAT

There were no judgements/Order of the CAT pertaining to the Company during the year.

STATUTORY AUDITORS

M/s G.R.Kumar & Co., Chartered Accountants, Visakhapatnam were appointed by the Comptroller and Auditor General of India as Statutory Auditors for auditing the accounts of the Company for the financial year 2012-13. Pursuant to Section 224(8)(aa) of the Companies Act, 1956, the remuneration of the Auditors has to be approved by the Members at the AGM. The Board recommends the remuneration of ₹2.50 lakhs plus service tax as applicable for the year 2012-13 for approval of the Members at this AGM.

INDEPENDENT AUDITORS' REPORT , C&AG COMMENTS AND MANAGEMENT COMMENTS TO THE QUALIFICATIONS IN INDEPENDENT AUDITOR'S REPORT

The Independent Auditor's Report on the Accounts for 2012-13 given by the Statutory Auditors is placed along with the Accounts. The Comments of the Comptroller and Auditor General of India on the Accounts for the year ended 31st March, 2013 are placed next to the Statutory Auditor's Report. The Statutory Auditors have qualified their Report as under:-

QUOTE

The Company has not recognized impairment of long term investments of ₹3,000 lacs (Last year : ₹3000 lacs) in M/s. SCL; which is not in accordance with para 17 of "AS-13 Accounting for investments" as prescribed under sub-section 3C of section 211 of the Act. The decline in investment value (other than temporary), is envisaged with reference to Investee's assets and results, prolonged litigation, expected cash flows, restrictions on distributions by Investee or disposal by Investor etc.

Had such provision been recognized, the profits of the Company for the year ended 31st March, 2013 and the reserves of the Company as at 31st March, 2013 would have been lower by ₹3,000 lacs; thereby resulting in net loss of ₹949.10 lacs.

UNQUOTE

The Management's reply to the qualification in the Auditors report is as under:

The Management is of the view that the qualification of the Auditors is unwarranted as Sethusamudram Corpoation Limited (SCL) is a Special Purpose Vehicle floated solely for the purpose of the Sethusamudram Ship Channel Project (SSCP) with Central Government as majority shareholder holding 66% of the ₹745 Cr. paid up share capital along with Ports, SCL and DCI. The holding of DCI is ₹30Cr which is only about 4% of the paidup share capital of SCL. There is no private investment. It is incorrect to assume that there is any decline in

DREDGING CORPORATION OF INDIA LIMITED

investment value unless any diminution is recognized as such by the Central Government - the major shareholder. SCL is a continuing entity though the dredging work has been stopped/frozen pending final verdict of the Apex Court. Principles of valuation of Trade investment are not relevant to this investment. Moreover, there has been no decline in the investee's assets and results as SCL's Balance Sheet as on 31/03/2012 showed a positive networth of ₹798.97 Cr. Further SCL has declared a pre-operative surplus of ₹1.91 Cr. for FY 2011-12 in their Annual Report. It is a strategic investment by DCI to grow its business over a long term. Long term investment is to be carried at cost. Unless there are published documents/ financial reports evidencing a decline in the carrying cost, Statutory Auditor's qualification is inappropriate. The factual position in this regard is adequately covered in Notes to the Financial Statements 2012-13.

The Comptroller and Auditor General of India has issued "Nil Comments" Certificate on the accounts of the Company for the year ended 31st March, 2013.

INDIAN DREDGING - OUTLOOK & POLICY GUIDELINES

1. India is a major maritime nation by virtue of its long coast line of around 7517 kilometers on the western and eastern shelves of the mainland and also along the islands, bejeweled with 13 Major Ports under the administrative control of the MoS and 176 Non-Major Ports under the administrative control of the Government of India ("GoI") and State Governments and the private ports, strategically located on the world's shipping routes, its long tradition of seafaring with a large pool of trained maritime personnel and its dynamic and rapidly globalizing economy with a vast potential to expand its participation in trade and development. A few such ports are natural harbours with sufficient water depth to handle vessels plying cargo to and from them. Most of the other ports require capital dredging to expand vessel size handling capability and maintenance dredging for maintenance of their existing/expanded capability to berth vessels of different shapes and sizes.

1.1. The Indian dredging market consists primarily of maintenance dredging and capital dredging in addition to a limited amount of inland dredging, beach nourishment and reclamation dredging, and we are a very prominent player on account of our expertise in this highly technical and skilled sphere of business.

1.2. As per the report of the Working Group for Ports Sector for 12th Plan, a total quantity of 675.25 MCM and 429.99 MCM had been planned for capital and maintenance dredging respectively for all the ports in the country during the 11th Plan. This quantity includes the dredging to be done for fishing harbours also besides the major and non major ports. Against this targeted plan, only 278.93 MCM and 291.63 CM had been achieved under the capital and maintenance dredging respectively. This constitutes 41.31% and 67.82% against the targeted quantity. The major ports achieved 31.97% of the targeted quantity, the non-major ports achievement was 49.55% in capital dredging work. In maintenance dredging work, the figures are 68.89% and 59.92% respectively. The shortfall in achieving the set target is due to many factors. Delay or failure to takeoff number of port development projects, financial and environmental constraints, the need to carry out engineering studies to assess the quantum of dredging and the type of dredging to be performed, poor response from bidders to undertake the work are some of the reasons attributable to the shortfall. Overall, the ports had done better in achieving the target in maintenance dredging. The non major ports had done better than the major ports in capital dredging work.

2. Dredging requirement for 12th Plan period

The capital dredging requirements for major ports during the 12th plan period stem from the various port projects planned by the major ports. Ports of Kolkata, Paradip, Visakhapatnam, Ennore, Chennai, Tuticorin, Mormugao, Jawaharlal Nehru and Kandla are planning to undertake the capital dredging of quantities more than 10 MCM. The capital dredging quantities in respect of other major ports are less than 10 MCM. The total quantity planned is 221.11 MCM of all the 12 major ports including the requirement for Navy. The projection for maintenance dredging at Major Ports is 404.25 MCM. In total, the requirement is 625.36 MCM which is almost at the same level when (92.5%) compared with 676.34 MCM projected for the major ports during 11th Five Year plan. The non major ports have projected a total requirement of 543.61 MCM of which 418.03 MCM is for capital dredging and 128.58 MCM is for maintenance dredging. When compared with the projection of 368.59 MCM and 46.41 MCM respectively for capital and maintenance dredging during 11th Five year plan, there is an increase of nearly 31%. Capital dredging requirement of the State of Orissa, Andhra Pradesh and Gujarat constitute 57.8% of total capital dredging due to development of Gopalpur and Dhamra ports in Orissa, development of Machilipatnam, Krishnapatnam, Kakinada and Gangavaram ports in Andhra Pradesh, and development of Hazira port in Gujarat state.

3. The 12th plan dredging requirements, if achieved, will enable all the Major Ports (except Kolkata) and non-Major Ports to handle the vessels with 14 meters draft at the end of 12th plan period. In case transloading facilities installed at sandheads by Kolkata Port, then Kolkata Port can also handle 14 m draft vessels.

4. The Ministry during the year formulated the Maritime Agenda 2020 which is the perspective plan of the Ministry for this decade. It identifies the priority areas for Government intervention and is a road map for creation and upgradation of infrastructure in the Ports and also for augmentation of Indian tonnage in the shipping sector. The document says that Shipping lines have been representing time and again that port charges at Indian Ports are very high as compared to other comparable International Ports. As a matter of fact, vessel related charges are perhaps higher than some of the International Ports whereas cargo related charges are much lower in some Indian Ports in comparison to ports abroad. The document says that if Vessel related charges alone are taken, the reasons for higher charges are mainly two: (1) higher cost of dredging in certain ports, requiring perennial dredging and (2) lack of subsidy on the part of Government. In many parts of the world, some part of dredging (at least Capital) is funded by Provincial Governments or Federal Governments. If the same approach is adopted by Central Government or State Governments, the vessel related charges also could be brought to the reasonable levels. The document says that Major Ports in India have drawn up some ambitious expansion plans during the next decade including several dredging major dredging projects by some ports, thereby intending to create substantial additional capacity. The dredging projects are mainly for deepening of channels, enhancing the available draft at berths or for construction of more berths.

5. DCI participates in the open competitive bids for dredging issued by major ports as per the dredging policy guidelines issued by Ministry of Shipping. DCI has secured the dredging project for Kandla port on open tender basis. Further, as per the dredging policy, Government of India reserves the right to assign in public interest any contract for dredging work in any of the major ports on nomination.

DREDGING CORPORATION OF INDIA LIMITED

6. With the entry of global players either directly or through their Indian arms competing to get the contracts at competitive rates has constrained DCI to quote competitively. This has put the financials of the Company under severe strain because of increasing cost due to frequent repairs and lay-up of the ageing dredgers. The addition of the dredgers XIX and XX to the fleet in December, 2012 and July, 2013 has augmented the capacity of the Company. The third Dredger is expected to join in February 2014.

8. OUR COMPETITIVE STRENGTHS

We believe that we are well -positioned to maintain and enhance our leadership position in the Indian dredging market, on account of our competitive strengths, which include the following:

Premier and the only PSU dredging company in India

We are a premier and the only PSU dredging company in India. We are also the preferred dredging company for Major Ports and the Indian Navy. We have been in this business since 1976 and have been catering to the dredging requirements of the major ports/ Indian Navy since then. Owing to the long association with the Major Ports, our Company is the most preferred company for dredging requirements of most of the Major Ports and the Indian Navy.

Flexible portfolio of dredging assets

Our Company operates a diverse dredging fleet which is the largest in India in terms of capacity. The size, versatility and technical capabilities of our fleet improves its competitiveness as it generally permits our Company to select the appropriate equipment for a particular maintenance dredging job. To maintain the value and effectiveness of fleet, the Company emphasizes preventive maintenance so as to reduce the downtime, increase profitability, enhance the vessel life.

Strong relationships with Customers

Our Company caters to the dredging requirements of the Major Ports and the Indian Navy right from its inception in 1976 and has a better understanding of the dredging requirements of the Indian Ports. Our Company is the leader in maintenance dredging in India through its combination of usage of advanced equipment and experience. Our Company believes that its size as the largest dredging company in India and its extensive experience significantly enhanced its ability to profitably bid for and complete the contracts awarded to it.

Experienced management team

Our Company's senior managers have vast experience in the dredging and maritime industries. Our Company believes that this experience provides the Company with a significant advantage over its competitors. The Company's floating personnel who manage the dredgers and the management team who give the support services are well trained professionals having vast experience in the dredging and maritime industries

9. OUR STRATEGIES

We intend to increase income from operations and strengthen our domestic and international competitive position by expanding our operations in both our traditional and new dredging services and adopting a pro-active marketing strategy for our domestic and foreign operations. We aim to achieve our mission by pursuing the following business strategies:

Enhancement of market share in maintenance dredging and more participation in capital dredging in India

With the addition of the two new dredgers in December 2012 and July 2013 respectively and third dredger by February 2014 respectively of higher capacity, our Company expects to maintain its domestic leadership position in maintenance dredging by becoming more customer-focused and tailoring marketing initiatives that differentiate between specific groups of customers. In particular, it is consolidating its relationships with the Major Ports and developing marketing efforts aimed at non-Major Ports and new private port

DREDGING CORPORATION OF INDIA LIMITED

developers in India. Also at present company is undertaking Capital dredging assignment at Ennore Port and Kandla Port. We plan to undertake more such assignments subject to the availability of the fleet.

Making forays in foreign dredging market

Apart from consolidation in the Indian dredging market, we have plans to make forays in the foreign dredging market. During the financial year 2013-14, we have undertaken international dredging assignment at Kankasanturai harbour, Sri Lanka under the aegis of Ministry of External Affairs, GOI as per a bilateral arrangement with the Government of Sri Lanka.

Enhancement of the fleet capability

In continuation of the efforts to sustain the existing capacity for which orders were placed for three dredgers meant as replacement of existing aged dredgers, our Company plans to procure two higher hopper capacity 9000 cubic meters trailer suction hopper dredgers in the twelfth plan. Our Company also plans to refurbish the existing aged dredgers during the current plan period so as to increase their effectiveness and enhance their economic life.

Reducing operational costs

Our Company proposes to reduce its operational costs by refurbishing the existing aged dredgers. Further, in addition to its capacity utilization initiatives discussed above, our Company also intends to reduce operational costs by focusing on fuel efficiency in ship operations and ship procurement and further streamlining the spare parts procurement systems. Our Company also proposes to have tie-ups with ship repair yards for continued maintenance of our vessels for a period of time so as to make available the dredgers for a guaranteed minimum number of days every year.

Strategic alliances through long term contracts with major ports

Our Company proposes to have strategic alliances with major ports on similar terms with the Kolkata Port at present. This will ensure assured business for the Company and enable the Company to plan in advance regarding the deployment of the vessels. The Company is also having discussion with some Ports to part finance the proposed new acquisitions.

Optimize capacity utilization

Our Company intends to continue to optimize its capacity utilization by continuous project monitoring and review, reducing equipment downtime through preventive maintenance and working with repair yards to accelerate dry dock repair periods, and increasing computerization, including introducing online connectivity between dredgers, projects and the head office. Our Company also intends to continue to invest in quality pre-dredging surveys and equipment and continue to invest in repairs and maintenance. Through a renewed focus on training, our Company intends to introduce specific project planning and management initiatives to educate its staff to identify and develop new market opportunities. Our Company believes in the introduction of best practices in procurement, costing and working capital management, along with the introduction of tailored human resources practices, participatory management and new technologies, which will create new competencies in its organization and add value for its dredging customers.

10. THREATS

The Company perceives the following threats:

- i Increasing foreign competition.
- ii Increasing competition from Indian dredging companies.
- iii Frequent and expensive repairs to dredgers due to ageing.

11. INDIAN DREDGING MARKET OUTLOOK

While the consistent maintenance dredging requirements at the major ports are expected to continue, increasing private sector participation in port development and related capital dredging activity is expected. At the same time, the dynamics in the Indian market are rapidly changing. The key changes taking place include changes in customer profile for dredging companies from Government to private sector developers, changes in payment patterns for dredging work with stringent performance parameters the expansion of Indian port capacity and increasing participation of international companies in the Indian dredging market. Other developments include:

- i Deeper draught requirements of Indian Ports.
- ii Tourism development and increasing need for beach nourishment.
- iii Land reclamation for low lying areas.

DCI's customers include Major Ports under the administrative control of the Ministry of Shipping, Non-Major Ports under the administrative control of the GoI and State Governments, private ports, the Indian Navy and shipyards. The Indian dredging market is primarily maintenance dredging-oriented. However, some capital dredging projects are also in the offing. DCI has already secured the Ennore Capital dredging project on tender basis.

12. RISKS AND CONCERNS

The foreign exchange variations may cause a dent in the cash flows apart from effecting the results of the Company due to the debt service obligations in foreign currency.

13. INITIATIVES TAKEN/FUTURE PLANS OF THE COMPANY

Keeping the various developments in the dredging industry in view, your Company has initiated action in several areas, including:

- i Consolidation of share in maintenance dredging in India
- ii More participation in capital dredging – acquiring necessary skills, training company personnel, acquiring/chartering dredgers.
- iii Acquisition of dredgers with fuel efficient design and advanced technology, fitted with sophisticated and state-of-the-art technology.

DREDGING CORPORATION OF INDIA LIMITED

- iv Reducing operational costs - Focusing on fuel efficiency in ship operations, streamlining spare parts procurement systems.
 - v Close monitoring of repairs.
14. **PLAN PROJECTIONS**
The following are the Plan projections for the 12th Plan:-
- i Two Nos. New TSHDs of 9000 Cu.M
In line with DCI's strategy to augment its available capacity, it is proposed to acquire 2 Nos New TSHDs of 9000 Cu.M capacity at an estimated cost of ₹1300 Cr. Placement of Order for one dredger will be in the mid of the 12th Five year Plan and order for the second Dredger will be placed in the final year of the 12th Five year Plan.
 - ii Two Nos. Self-Propelled Barges:-
It is proposed to procure two hopper barges in the 12th Plan. The order for two barges has already been placed and is scheduled to be delivered by March, 2014
 - iii Retrofit of Dredgers:
In order to optimise and enhance the productive life and upkeep of the dredgers, it is proposed to take midlife retrofit of three existing dredgers at an estimated cost of about ₹300Cr.
 - iv Procurement of Multi Cat and 50 Ton BP Tug at an estimated cost of about ₹60 Cr.
15. **INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**
The Company has reasonable system of delegation at proper levels and an adequate system of internal control commensurate with its size and nature of its business. The Company has an adequate and independent internal audit department for conducting extensive audit of various important operational and financial matters. The internal audit work at Head Office and some of the projects has been outsourced to Chartered Accountant firms. The internal controls are reviewed by the Internal Audit Department. The Vigilance Department deals with vigilance and disciplinary cases with emphasis on preventive vigilance. and international markets, Government policies and regulations, statutes and other incidental factors.
The Vigilance Department deals with vigilance and disciplinary cases with emphasis on preventive vigilance. C&AG conducts proprietary audit. The Company has constituted an Audit Committee and significant audit observations and follow up action thereon are reported to the Audit Committee. The proceedings of the Audit Committee meetings and also other Sub-Committee meeting of Directors are submitted to the Board.
16. **INDUSTRIAL RELATIONS**
The industrial relations in the Corporation continued to be cordial throughout the year under report.
17. **CORPORATE SOCIAL RESPONSIBILITY**
The Board of Directors of the Company have formulated the Corporate Social Responsibility Policy for the Company and also constituted a Sub-Committee of Directors for implementation of the same.
18. **CAUTIONARY STATEMENT**
Statements in this "Management Discussion and Analysis" describing the objectives, expectations, assumptions or predictions of the Company may be forward-looking statements within the meaning of applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the operations of the Company include economic conditions affecting demand/supply, price conditions in the domestic and international markets, Government policies and regulations, statutes and other incidental factors.

DREDGING CORPORATION OF INDIA LIMITED, VISAKHAPATNAM

1. Report on the Financial Statements

We have audited the accompanying financial statements of Dredging Corporation of India Limited ('the Company') which comprise the Balance Sheet as at March 31, 2013, the Statement of Profit and Loss and the Cash Flow statement for the year then ended and a summary of significant accounting policies and other explanatory information.

2. Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

4. Opinion

We draw attention to the following Note:-

(i) The Company has not recognized impairment of long term investments of ₹3,000 lacs (Last year : ₹3000 lacs) in M/s. SCL; which is not in accordance with para 17 of "AS-13 Accounting for investments" as prescribed under sub-section 3C of section 211 of the Act. The decline in investment value (other than temporary), is envisaged with reference to Investee's assets and results, prolonged litigation, expected cash flows, restrictions on distributions by Investee or disposal by Investor etc.

Had such provision been recognized, the profits of the Company for the year ended 31st March, 2013 and the reserves of the Company as at 31st March, 2013 would have been lower by ₹3,000 lacs; thereby resulting in net loss of ₹949.10 lacs.

In our opinion, subject to our remark in paragraph 4(i) above the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- in the case of the balance sheet, of the state of affairs of the Company as at March 31, 2013;
- in the case of the statement of profit and loss, of the profit for the year ended on that date; and
- in the case of the cash flow statement, of the cash flows for the year ended on that date

5. Report on Other Legal and Regulatory Requirements

i) As required by the Companies (Auditor's Report) Order, 2003 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.

ii) As required by section 227(3) of the Act, we report that:

- we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- the Balance Sheet, Statement of Profit and Loss and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- in our opinion, subject to our remark in paragraph 4(i) above, the Balance Sheet, Statement of Profit and Loss and Cash Flow Statement comply with the Accounting Standards referred to in subsection (3C) of section 211 of the Companies Act, 1956; and
- the provisions of Section 274(1)(g) of the Companies Act, 1956 are not applicable to this Company vide number 2/5/2001-CL-V: General Circular No.8/2002 dated 22-03-2002 issued by Ministry of Law, Justice and Company Affairs, Department of Company Affairs.

ANNEXURE TO AUDITORS' REPORT

(Referred to in paragraph (3) of our Report of even date)

- (i) (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- (b) All the fixed assets have been physically verified by the management during the year in a phased manner. As informed to us, no material discrepancies were noticed on such verification.
- (c) The Company has not disposed off substantial part of the fixed assets during the year and the going concern status of the company is not affected.
- (ii) (a) Physical verification of inventory has been conducted by the management at reasonable intervals during the year; except in case of Stock of stores/ spares-in-transit.
- (b) In respect of procedure of physical verification of stock of stores/spares-in-transit followed by the management, the same needs substantial improvement, which should commensurate with the size of the Company and the nature of its business.
- (c) Except in case of stock of stores/spares-in-transit, the Company has maintained proper records of inventory; and as informed to us, no material discrepancies were noticed on physical verification as compared to the book records.
- (iii) (a) The Company has not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained under section 301 of the Companies Act, 1956.
- (b) The Company has not taken any loans, secured or unsecured from companies, firms or other parties covered in the register maintained under section 301 of the Companies Act, 1956.
- (iv) In our opinion and according to the information and explanations given to us, there are adequate internal control procedures commensurate with the size of the Company and the nature of its business for the purchase of inventory and fixed assets and for sale of goods and services.
- (v) According to the information and explanations given to us, there were no contracts or arrangements referred to in Section 301 of Companies Act, 1956 that need to be entered into the Register required to be maintained in pursuance of Section 301 of the Companies Act, 1956.
- In view of the above, Clause 4 (v) (b) is not applicable.
- (vi) The Company has not accepted any deposits from the public during the year
- (vii) In our opinion, although the Company has an internal audit system commensurate with its size and nature of its business; yet the same needs to be transformed into risk-based audit and focus on internal controls, risk assessment, risk mitigation plans etc.
- (viii) To the best of our knowledge the Central Government has not prescribed maintenance of cost records under Section 209(1)(d) of the Companies Act, 1956 in respect of the nature of business carried on by the Company.
- (ix) (a) The Company is generally regular in depositing the undisputed statutory dues including Provident Fund, Investor Education and Protection Fund, Income Tax, Sales Tax, Wealth Tax, Service Tax, Customs Duty, Cess and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of aforementioned dues were in arrears, as at March 31, 2013 for the period of more than six months from the date they became payable.
- (b) As at March 31, 2013, according to the records of the Company and information and explanations given to us, the following are the particulars of dues on account of Service Tax matters that have not been deposited on account of any dispute.

Name of the statute	Nature of dues	Amount (₹ in lakhs)	Period to which the amount relates Various years covering the period	Forum where pending	Subject matters

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 619 (4) OF THE COMPANIES ACT, 1956 ON THE ACCOUNTS OF DREDGING CORPORATION OF INDIA LIMITED, VISAKHAPATNAM FOR THE YEAR ENDED 31 MARCH 2013

The preparation of financial statements of Dredging Corporation of India Limited, Visakhapatnam for the year ended on 31 March 2013 in accordance with the financial reporting framework prescribed under the Companies Act, 1956 is the responsibility of the management of the company. The Statutory Auditor appointed by the Comptroller and Auditor General of India under Section 619 (2) of the Companies Act, 1956 is responsible for expressing opinion on these financial statements under Section 227 of the Companies Act, 1956 based on the independent audit in accordance with the standards on Auditing prescribed by their professional body, the Institute of Chartered Accountants of India. This is stated to have been done by them vide their Audit Report dated 18 June 2013.

I, on the behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit under Section 619 (3) (b) of the Companies Act, 1956 of the financial statements of Dredging Corporation of India Limited, Visakhapatnam for the year ended 31 March 2013. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditor and company personnel and a selective examination of some of the accounting records. On the basis of my audit, nothing significant has come to my knowledge, which would give rise to any comment upon or supplement to Statutory Auditor's report under Section 619 (4) of the Companies Act, 1956.
