

VACCINATION DRIVE AT DREDGING CORPORATION OF INDIA LIMITED HEAD OFFICE VISKAHPATNAM

Dredging Corporation of India limited the premier dredging company in India has undertaken a lot of initiative in its fight against the spread of the covid 19 pandemic as per the guidelines issued by the govt of India.

As a part of this initiative the company has organized a free vaccination drive in association with local district administration for the benefits of its employees, security and maintenance staff at its head office in Visakhapatnam on 29/05/2021.

This vaccination drive was carried out as per the guidance of MD & CEO Prof Dr G.Y.V Victor, DCIL and under the supervision of Dr Balaji Gummidi (Public Health Consultant) Deptt of health and & family Welfare, Govt of AP. We are happy to inform that more than 110 employees both shore and floating staff based in Visakhapatnam got themselves vaccinated.
